

USB 3.1 Type C to HDMI (4Kx2K @60hz) Adapter - Black

The USB Type-C to HDMI adapter consists of a USB 3.1 Type-C male on one end and a HDMI female on the other end. It allows you to connect an extra display to your laptop's USB Type-C port. This adapter provides high throughput using the USB 3.1 bus and supports high definition monitors.

The adapter can either extend or mirror your monitor.

Physical Characteristics
