

6ft USB A Male to 5.5mm x 2.1mm DC Plug Power Cable

DCU-5521-06 - Specifications

Description

This power cable consists of a USB A male connector on one end and a 5.5mm x 2.1mm male DC connector on the other end. It is typically used to supply power to 5V devices from a USB port rather than a AC/DC transformer.

Physical Characteristics

Color Black
Jacket Material PVC
Connector Plating Nickel
Power Rating 18W Maximum
Voltage Rating 12VDC Maximum

Pinout

USB Type A	DC Plug
Pin 1 (VCC +5V) Pin 4 (GND)	Tip Sleeve

Connectors

Connector A 1 - USB A Male
Connector B 1 - 5.5mm x 2.1mm DC Male

Environmental

RoHS Yes

Packaging Information

Package Quantity 1
Product Weight 0.1 lbs
